No R. 157 dated 7.7.1944.

Approves of the above proposal.

[7] Letter No. M 6-C 139/43-44, dated the 22nd June 1944 From the Mwarai Commissioner in Mysore.

Forwarding a draft of a revised diploma form, containing certain additions to and alterations from the original form approved by Govt. and soliciting sanction to print and supply the diploma forms as revised

(1) Additions and alterations of the text, as proposed, do not bring in any difficulties in printing In the new draft the name of the M-C-E is mentioned with the view that he may counter-sign the Diplomas, as being the head of the Dept. Controlling the institution, and it may perhaps stand.

(2) As regards the present proposal to move the Mysore Coat of Arms to the top centre of the form and to substitute in its place, the portrait bust of H.H. within an oval, measuring 2"x 1½", the Supdt of Govt. printing may be consulted as to the feasibility of incorporating the Coat of arms as well as the portrait, since it has been considered, while sanctioning the grant of the diploma, that the coat of arms alone would do. Moreover, the printing of the bust as proposed, involves superfine paper, and the preparation of good blocks, if not Copperplate engravings, not to speak of the extra cost and labour involved, especially in these days of paper scarcity (Ref.ee is invited to para 7 of the notes of the file placed below)
